- WiFi (eduroam) & VPN

# RWTH Online

- Registration and de-registration for courses and exams, but also
  - Timetable creation
  - Documents
  - Re-enrollment for new semester
  - Applications
- Microsoft 365
  - Students have free access to Office 365 Products
- Software portal of the RWTH:
  - Online shops (Access over <https://rwth.asknet.de/cgi-bin/home/ml=DE>)
  - Cheaper access to software

RWTHonline

Maintenance: 20.01.2021, 07:00 - 08:00 DE EN

## Overview

Title	Introduction to Data Science - Lecture ☆
Number	12.25101
Persons involved	<b>Lecturer (Assistant)</b> van der Aalst, Willibrordus Martinus Pancratus Mirbolouki, Mahnaz ( Park, Gyunam Qafari, Mahnaz Sadat Wagner, Miriam Mannel, Lisa Luise Farhang Ghahfarokhi, Anahita )
Type	Lecture (L)
Semester Week Hours	4
ECTS credits	6
Course language/s	English
Offered in	Winter semester 2020/21
Organisation	Chair of Computer Science 9 (Data Science)

## Description

Content	<p>The course „Introduction to Data Science“ offered by the Chair of Process and Data Science (PADS) within the scope of the new programme „Master of Data Science“ can now also officially be selected as a semi-elective module (Wahlpflichtfach) for the following Master Programmes:</p> <ul style="list-style-type: none"><li>- Master Informatik</li><li>- Master Software Systems Engineering (SSE)</li><li>- Master Media Informatics.</li></ul> <p>The module is currently added to the relevant exam regulations of the master programmes mentioned above.</p> <p>This course is taught in English. <a href="#">Please see module catalogue English version.</a></p>
Previous knowledge expected	Recommended prior knowledge includes logic, programming, algorithms, and databases. See <a href="#">module catalogue English version.</a>
Objective	see <a href="#">module catalogue English version.</a>

- and more...

All applications

The screenshot shows a dashboard titled "All applications" with a search bar "Filter by application title...". The dashboard contains a grid of 24 application tiles, each with an icon and a label. The "IdM Selfservice" tile is highlighted with an orange border and a blue arrow pointing to it. The tiles are arranged in four rows and six columns. The first row includes Applications, Courses, Current/Home Address, Degree Programmes, Documents, and Examination Regulations. The second row includes Exams, IdM Selfservice, Language Center, Modules, My Achievements, and My Calendar. The third row includes My Course Evaluations, Resource Occupancy, RWTHmoodle, Student Dossier, Study Overview (Curriculum Support), and Study Status. The fourth row includes Support, Tuition Fees, Wiki intern: Help, and Wiki intern: News. Some tiles have a star icon in the top-left corner.

- Other important information

### Exchange with other students

[Introductory video by the CLS](#)

[Quickstart on ITC-Help](#)

The screenshot shows the RWTHmoodle website interface. At the top, there is a navigation bar with the RWTH Aachen University logo and the text 'RWTHmoodle'. A language dropdown menu is set to 'English (en)'. Below the navigation bar, a yellow banner contains information about the Corona virus and fast support for distance and online learning at RWTH Aachen University, with a link to <https://video.cls.rwth-aachen.de/>.

The main content area is titled 'News' and features three news items:

- Limited availability of H5P elements on 28 October 2020**  
by Schnurbusch, Harald - Monday, 26 October 2020, 7:00 AM  
On Wednesday, 28 October 2020, 7-12 a.m. H5P (interactive content) will be available with restrictions. Managers cannot add, edit or delete H5P elements during this time. Students can access H5P elements, but there may be interruptions during use. The reason for this limited availability is the migration of the existing H5P elements to the new course room-related „Content bank“, which H5P uses from Moodle version 3.9 onwards. All H5P elements in Moodle are now created in this content bank. When you add a new H5P activity, you access this previously filled content bank and select the appropriate H5P element from those available. More Information can be found in the Moodle tutorials on [H5P](#) and the [Content bank](#).
- Test phase for some new plugins in winter semester 2020/21**  
by Schnurbusch, Harald - Thursday, 8 October 2020, 9:29 PM  
In winter semester 2020/21 the RWTHmoodle team is again looking for lecturers who want to use some new plugins in their courses for testing purposes: StudentQuiz, Etherpad, Lightbox Gallery, Level Up!, Concept Map and Cardbox. More information on the plugins can be found in the [RWTHmoodle help](#). If you are giving courses and are interested in testing one or more of the plugins please contact the RWTHmoodle support team at the [IT-ServiceDesk](#).
- Update on Moodle version 3.9 for winter semester 2020/21**  
by Schnurbusch, Harald - Thursday, 8 October 2020, 9:14 PM  
Already at the end of September RWTHmoodle was updated to Moodle version 3.9. This brings some smaller and bigger changes. Improvements in accessibility or the activity chooser used when adding activities or materials are part of it as well as smaller adjustments in the forum, in the grading of assignments and the question bank for quizzes. In the coming weeks, the "My Courses" list in the dashboard will be changed a bit, too, and the "H5P" activity making interactive content such as videos with embedded quizzes very easy to create will be more deeply integrated. Both elements are part of the update to 3.9, but will be added later for

On the right side, there is a sidebar with a blue header 'RWTHmoodle Anmeldung' and a black button 'PROCEED TO LOGIN'. Below this, a message states 'Cookies must be enabled in your browser to use RWTHmoodle.' with a help icon. A link is provided: [Click here](#) for the Bridge Course in Mathematics login.

Below the sidebar header, there is a section titled 'What is RWTHmoodle?' with a description: 'RWTHmoodle is the central web-based learning platform of the RWTH Aachen University. Its virtual course rooms ... [show more](#)'. A list of links follows:

- Demo course room

# IT-Center of the RWTH

<https://help.itc.rwth-aachen.de/en>

The screenshot shows the homepage of the IT Center Help website. At the top, there is a navigation bar with the RWTH Aachen University logo, the text "IT Center Help", and language selection buttons for "DE" and "EN". Below the navigation bar is a "Menu" icon and a main heading: "Welcome to IT Center Help – What can we do for you?". A search bar is located below the heading. The main content area is divided into several sections:

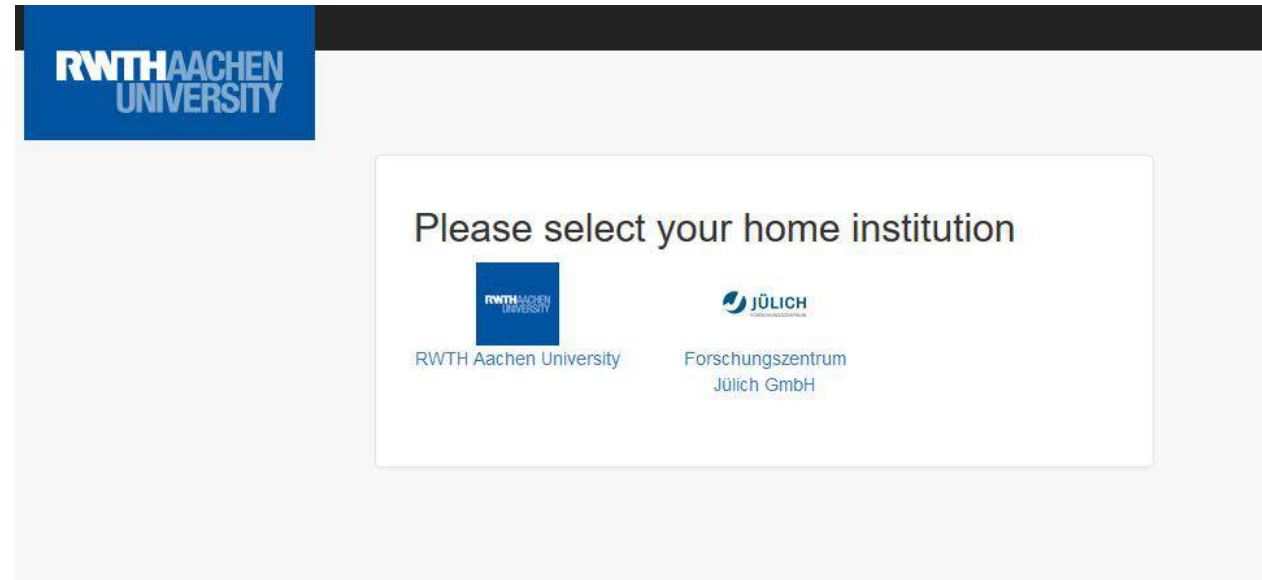

- Practical step-by-step instructions and information on the IT Services**: A yellow box with the text "provided by the IT Center of RWTH Aachen University can be found here on IT Center Help." and the "it" logo.
- Corona (Update 11.01.2021)**: A blue box with a virus icon and a list of links: "Current changes due to Corona", "DFN-Certificates application", "RWTH VPN", and "Tips and Information (external)".
- First steps**: A blue box with a graduation cap icon and a list of links: "Guide for new students", "Identity Management", "E-Mail", and "eduroam (WiFi)".
- New IT Center services**: A blue box with a computer and mobile phone icon and a list of links: "Recent E-Mail-Information", "Microsoft 365 for students", "Boxcryptor", and "New phone system (CISCO)".
- IT Center Support**: A blue box with a gear icon and a list of links: "Current opening hours", "TreMoGe", and "Printservice".

At the bottom, there are two sections: "Most searched pages" with links like "How can I search through my contacts?" and "Why does the subject line of my e-mails start with \*\*\*\*\*SPAM\*\*\*\*\*?"; and "Current status messages" with links like "Software Engineering Services (GILab) - Fehlende Bilder in den Projekt Wikis" and "Security - Emotet wieder da". A "Chat" button is visible in the bottom right corner.

# RWTH VPN

- Maybe more important at the moment: RWTH VPN
- <https://help.itc.rwth-aachen.de/service/vbf6fx0gom76/article/51b128e3749740d3ab0bffa27acb6906/>
- Helppage by the IT-Center of the RWTH
- After you have downloaded and installed the VPN client...

## Start Cisco's AnyConnect Mobility Client

After the successful installation you can start Cisco's AnyConnect Mobility Client by entering the VPN-address <vpn.rwth-aachen.de>. Then click on "connect" to connect with the RWTH net.

## Registration

First choose the group. Either "RWTH-VPN"(Full Tunnel) or "RWTH-VPN"(Split Tunnel). Username is the username (format: ab123456) you already used to download the client and your password
